Service Après-Vente et gestion des déchets | Entsorgungshinweis | Disposal information | Nota sullo smaltimento

- ▶ Les boules de café peuvent être mises au compost dans votre jardin.
- ▶ En fin de vie, mettre les machines au recyclage selon les règlements locaux.
- ▶ Les machines peuvent être remises gratuitement à un point d'achat pour être correctement mises au recyclage.
- ▶ Mettre immédiatement au recyclage les machines comportant un défaut dangereux et s'assurer qu'elles ne sont plus réutilisées.
- ▶ Ne pas mettre les machines au rebut avec les déchets ménagers (protection de l'environnement!).

- ▶ Gebrauchte Kaffee-Bälle können im Garten kompostiert werden.
- ▶ Ausgediente Maschinen gemäss den örtlichen Vorschriften entsorgen.
- ▶ Maschinen können zur fachgerechten Entsorgung bei einer Verkaufsstelle kostenlos abgegeben werden.
- ▶ Maschinen mit gefährlichem Defekt sofort entsorgen und sicherstellen, dass sie nicht mehr verwendet werden können.
- ▶ Maschinen nicht mit dem Hausmüll entsorgen (Umweltschutz!).

- ▶ Used coffee balls can be composted in the garden.
- ▶ Dispose of worn-out machines according to the local regulations.
- ▶ Machines can be returned to a point of sale for correct disposal free of charge.
- ▶ Immediately dispose machines with dangerous defects and ensure that they can no longer be used.
- ▶ Do not dispose machines with household waste (environmental protection!).

- ▶ Le palline di caffè usate possono essere compostate in giardino.
- ▶ Smaltire le macchine non più in uso attenendosi alle disposizioni locali.
- ▶ È possibile restituire gratuitamente le macchine presso un punto vendita per il corretto smaltimento.
- ▶ Smaltire immediatamente le macchine con un difetto pericoloso e assicurarsi che non possano più essere utilizzate.
- ▶ Non smaltire le macchine con i rifiuti domestici (tutela dell'ambiente!).
